## WHO WE ARE

We are, TPM Academy, LLC a 32 year old Fastpitch softball training school based out of Atlanta Georgia. Through our professional training methods and extensive experience, TPM has contributed greatly to the successful growth of fastpitch softball and player development in Georgia and throughout the Southeast.

## OUR INTENT

To improve an athlete's mental and physical skills through positive training methods is why we created our Win BIG Softball Clinic Series

## IMPORTANCE OF MENTAL HEALTH IN YOUTH SOFTBALL

### Struggles & Issues Athletes Face

- ✘ **Fear of Failure:** Pressure to perform can lead to fear of failure, affecting confidence.
- ✘ **Performance Anxiety:** Anxiety about meeting expectations can be overwhelming.
- ✘ **Self Doubt:** Constant comparison to peers and doubts about their abilities can erode self-esteem and motivation.

### How We Help

- ✔ **Providing Support:** Create a supportive environment with encouragement from parents, coaches, and peers.
- ✔ **Building Mental Toughness:** Teach mindfulness, visualization, and goal-setting techniques.
- ✔ **Positive Internal Dialogue:** Teaching the athletes how to recognize the good things they do and remind them to be kind to themselves if they fail.
